### PALACES OF THE WORLD'S FAIR.

Latest Picture of the graceful Electricity Palace as it appears, looking across the Grand Basin from the Cascade Gardens. The front to the left extends along the main lagoon. Heroic sculpture groups, symbolizing Light Overcoming Darkness will surmount the pyramids on the corners. Carrere & Hastings of New York are the designers.

### INTRAMURAL ROAD CONTRACT IS LET.

C

Railway Will Be Constructed. Equipped and Operated by the Exposition Company.

tion on or Before September 1 of the Present

on the Instantian Railway of the World's sioner from the Philippines to the World's Fair on or before September 1, 1966. It has Fair, arrived in St. Louis yesterday from been decided that the Exposition Company will construct, equip and operate the road. To this end a contract was closed yesterday with the General Electric Company of Schenectady, N. Y., for fifty-one complete electrical car equipments, consisting of four motors of forty-horse power for every motor, supplied with the latest spring-control

The train will be similar to that in use on the Manhattan Railway in New York City, the elevated trains in Chicago and New York's underground electric railway. The trains for the Intramural will consist three cars, and seventeen trains will

of three cars, and seventeen trains will make the complete service of the road.

Air brakes will be supplied by the National Electric Company of Milwaukee and will be of the well-known Christensen type, especially snapted for train service. These contracts are a part of the plan to make the Intramural a great operative exhibit, with apparatus furnished by the leading manufacturers in the country.

Equipment, rolling stock and power will be supplied by three great electrical companies which operate in seventeen States. They have taken advantage of the opportunity offered by the Exposition Company to exhibit their products in a motion disto exhibit their products in a motion dis-play that will attract the greatest amount of attention to their works.

Such an arrangement permits the Exposi-tion Company to install the entire service of the intramural at a minimum cost for wear and tear and a small additional cost for the use of material.

LIVE STOCK PRIZES ANNOUNCED. Division of \$250,000 Set Aside by Ex-

position Management for Display. Director of Exhibits Skiff has authorized the distribution of the prize list for live stock. The fund of \$250,000 for these prizes is divided as follows: Horses, ponles, jacks,

is divided as follows: Horses, ponies, jacks, jennets and mules, \$33,640; cattle, \$84,650; sheep and goats, \$42,800; swine, \$32,136; poultry, \$11,780; pigeons and pet stock, \$4,214, and docs, \$1,590. For prospective and contingent thibits \$3,835 has been provided.

At Chicago, \$142,500 was distributed in premiums for live stock. At the Columbian Exposition 9.3 per cent of the total offering was not awarded. With the same ratio at \$1, Louis, the amount actually required to meet the prizes which have been arranged would be \$235,820 or \$14,180 less than the present appropriation of \$250,040.

### FITZHUGH LEE A VISITOR.

Famous Virginian Conferred With Francis Regarding State Exhibit. General Fitzhugh Lee of Virginia called vesterday on President Francis at the Administration Building. General Lee explained that he visited St. Louis as the repre sentative of the Virginia World's Fair Commission.

He conferred with President Francis,
Director of Works Taylor and Director of
Exhibits Skiff in regard to the Virginia
exhibit to be made at the Fair. He also
visited the site of the Virginia Building on
the Plateau of States and made a general

St. Louis to Superintend the Native Buildings.

The First Ten Must Be in Opera- Four Hundred Constabulary, Macabebe Scouts, Band of Eighty Pieces and Tribal Villagers Will Come.

> Doctor W. P. Wilson, Special Commis Manila to begin work on the Flipino reservation. He brought information of the great display which has never been made

Doctor Wilson confirmed news of the recent shipment from Manila of 500 tons of exhibits by Government transport. He says that on the ship is an architect and ten mitive builders, who will be followed by others.

Among the 80 natives who will be brought to St. Louis will be a hattallen of 40 native constabulary, in the native uniform. One company of the famous loyal Maccabebe secuts and a Filipino band of cighty pieces will be among the display. Doctor Wilson says the band will be as fine as any on the Exposition grounds.

Three villages of natives will show the types of the tribes of the archipelago.

The Moros will build over water; the Igerotes will do the sword dance; the Visayans will bring over their native houses in sections and erect them on the reservation.

Doctor Wilson says the Philippine fores Twelve buildings of various sizes will make up the native display.

ARSENIC FOUND IN STOMACH. Woman's Body Exhumed and Traces of Poisoning Discovered.

REPUBLIC SPECIAL Toledo, O., July 13.-The report of Chemist V. C. Vaughn of Ann Arbor to the effect that he discovered arsenic in the stomach of Mrs. Jennic Blydenburg of Elmira, O., will probably result in the arrest of her husband, E. S. Blydenburg, who attempted suicide at his home in Eldora, I.a., when he learned that his wife's body had been exhumed.

### COMPANIES ALONE INVOLVED.

Board of Public Improvements Not

Concerned in Pole Squabble. A controversy has arisen between the Bell Telephone Company and the Elison Er ctric Hiuminating Company of Carondelet over the stringing of wires on poles belonging to the Bell company on Eleventh street be-

tween Chambers and Madison streets.

There are two lines of poles on this street now, one belonging to the Bell and the other to the Kinioch company, and unless the matter is settled between the companies an attempt will be made to get permission from the Board of Public Improvements to set a third line.

Procedure Publication set a third line.

President Phillips of the board stated yesterday that he was not in favor of granting any such permission, and would act accordingly when the board meets to-day. He said that from the information he had on the matter the question was one for the companies to settle between themselves.

### THREE OF ONE FAMILY DEAD. CATTLEMEN, UNDER CHARGE

Father, Mother and Son Succumb at Hospital Within Few Weeks.

The death of Martin Murphy at the City Hospital yesterday of tuberculosis makes three members of the same family that have died at that institution within seven The other two were the father and mother of young Mumber 177

of young Murphy. Michael Murphy, aged 60, died July 5 at the hospital from the effects of a fracture of the skull and ribs sustained July 4. The mother, Mrs. Nora Murphy, died at the same place May 25, after a short illness. The family lived at No. 1315 Hogan street

Workman Fell Forty Feet. Workman Fell Forty Feet.

Slight contusions on the shoulder and a sprained ankle were the only injuries sustained by Ira Fart, who fell forty feet while working on a new building at Twelfth and Washington avenue yesterday noon. In his descent Fast narrowly escaped striking steel girders and joists in the building.

Measure to Be Returned and Referred to the Railway Committee, Which Is Expected to Report at Once.

The Terminal loop bill will be returned to the Council to-night with the amendments added by the House last Tuesday night, It will be referred to the Railroad Committee for consideration. The committee consists of Boyce and Sheehan, as Davis, the chairman, is in Europe.

One member of the Council stated yesterday that he was of the opinion that the day that he was of the opinion that the bill, as amended in the House, would be passed by the Council as a matter of courtesy, inasmuch as the Council had expressed its views on the bill by sending it to the House in the shape that it did.

The member said that he thought that the Rallroad Committee would report the bill favorably with little or no delay and leave it for the Terminal Association to accept or reject.

### OF MURDER, OUT ON BOND.

Chauncey Dewey and His Ranchmen Are Released From Jajl at Topeka.

Topeka, Kas., July 13.-Chauncey Dewey, Clyde Wilson and W. F. McBride left the Shawnee County jail to-day free men, though under a bond of \$15,000 each to appear for trial later for the murder of the Berry family. Mr. Dewey said:
"We have no definite plans for the future.
We are going up to Manhattan Lake for a
while, but after that our plans are uncertain."

SAN FRANCISCO, CAL.—Beginning at an early date, the army transports plying between San Francisco and Manila will, it is stated, follow the route of the new trans-pacific cable, passing within signal distance and possibly stopping at Midway Island and Guam, where are repeating stations of the cable.

# TO BABY CARRIAGE.

Seriously Injures Brother, Aged 2 Months.

Children Were Alone, When Clarence Found Several Matches-Flames Caught on Mosquite Bar.

While playing with matches, Clarence Hopkins, the 4-year-old son of Mr. and Mrs. George Daniel Hopkins, of No. 1905 Division street, yesterday morning set fire to the baby carriage, in which his baby brother, aged 2 months, was asleep, causing the child to be severely, possibly fatally, terday afternoon. the child to be severely, possibly fatally,

Maud Hopkins, the 2-year-old sister of the with her screams attracted the attention of Mrs. Mary Whitlock of No. 910 North Eightcenth street, who was working at the Hop- and a piece of lace. The property is valued kins home.

| at \$13.29.

Mrs. Whitlock rushed into the room where the burning baby lay, and at great peril

avenue, since Sunday afternoon, Efforts on the part of relatives and the police to ocate the old man have been unavailing. Shortly after dinner Thompson left the ouse, saying he was going to attend church service. When he did not return at supper time, the family became uneasy and notified neighbors and the police. The old man were a dark coat and vest, stripped pants and a black hat.

Queer Provision in Will.

# PRINCE PRAISES AMERICAN SHIP.

Commissioner Wilson Arrives in Instruction Will Be Given Daily Clarence Hopkins, 4 Years Old, Warrants Issued Against Mrs. Heir to British Throne Deeply Interested in Inspection of Bat tleship Kearsarge.

Breakfast Given by Rear Admiral Cotton-Admiral Beresford's Band Struggles With "Star Spangled Banner.'

Portsmouth, England, July 13.-The Prince of Wales visited the United States squadron this morning and breakfasted with Rear Admiral Cotton on the flagship Kearsarge. All the ships in the harbor and the channel fleet at Spithead dressed ship, rainbow fashion, manned sides and fired a royal salute as the Prince boarded the American

flagship. On the Prince of Wales expressing a desire to inspect the ship, Captain Hemphill escorted him along the gundeck of the superstructure and also below. The Prince apparently had already some

knowledge of the Kearsarge, as he was familiar with her characteristics and made a remark about her especially excellent ventilation. The Prince complimented Captain Hemphill on the splendid condition of the

When first confronted by Chief Desmond
Mrs. Mayer fainted in her chair and became

Dispensary had to be summoned. She was
fill last night and frequently had to leave
the Chief's office to caim herself.
To Chief Desmond the women, he says,
acknowledged that they visited all the laracknowledged that they visited all the laracknowledged that they and that while Mrs.

battleship.

Before inspecting the Kearsarge the
Prince changed his full dress for a fatigue
coat. He evidenced a deep interest in the
superimposed turrets, and in response to
the Prince's request Captain Hemphill conducted him inside the forward double turret. The Prince stooped to enter the lower
turret and mounted the ladder leading to
the upper, 8-inch-gun turret.

"Did the German Emperor do this?" he
asked.

"Did the German Emperor of the asked.
Captain Hemphili replied: "Emperor William never got so high."
The departure of the Prince of Wales was marked by the same ceremony as on his arrival. He came on deck accompanied by Admiral Cotton, saluted and shook hands with the Admiral and the officers of the Kearsarge and the Captains of the other Americans. As the Prince crossed the gangway, Lieutenant William V. Pratt of the

Americans. As the Prince crossed the gangway, Lieutenant William V. Pratt of the Kearsarge shouted.

"Three cheers for his Royal Highness the Prince of Wales!"

The same cry arose simultaneously on the other American ships, and the crews of the four vessels heartly hurraited, the Prince, meanwhile, standing in the center of a group of officers with his hand at salute.

As the Prince's train pulled out from the station the American squadron fired a royal salute and the bands played "God Save the King."

Not to be outdone in courtesy, Admiral Beresford took up a position in front of the British bluejackets forming the royal escort, who were drawn up on the dock facing the battleship Kearsarge. Obeying a sharp order, the detachment presented arms, while the British band struggled, with rather poor success, with "The Star-Spangled Banner." As the export marched away the Americans again rendered "God Save the King."

away the Americans again rendered Save the King."

### RECEIVER CANCELS LEASES ON SHIPBUILDING PLANTS.

All Subsidiary Establishments Affected Except That of the Bethlehem Steel Company.

New York July 13 .- A long conference be tween Receiver Smith and counsel was held at the offices of the United States Shipbuilding Company to-day. The conference, the receiver said, was one of many which have been held lately in regard to the legal phases of the receivership. He said that he has signed an order terminating the leases of the subsidiary shipbuilding plants.

of the subsidiary shipbuilding plants.

In the organization of the United States
Shipbuilding Company, he said, the proppanies of the subsidiary shipbuilding companies were acquired and then leased back
to the subsidiary companies for one year
with a proviso by which they may be terminated at five days' notice by the parent
company. The properties were leased upon
a rental to consist of the earnings of the
plants.

a rental to consist of the earnings of the plants.
In order to get control of the properties the receiver had terminated these leases. The order, the receiver stated, did not include the Bethlehem steel plant.
"The Bethiehem Steel Company does not stand on a par with the other wishdiary companies?" was asked of the receiver.
"Well, we do not know yet," he replied. "Even the lawyers seem in doubt about that."

#### HER APPLICATION IS REJECTED. Mrs. Molineux Gets No Divorce in South Dakota.

REPUBLIC SPECIAL. Sloux Falls, S. D., July 11.-The applies tion of Mrs. Roland B. Molineux for a divorce has been rejected, it was said to-day and will not be granted, for the present at least, because of a statement said to may been made by Mrs. Molineux shortly after coming to Sioux Fal's, in which she is said to have admitted that the only reason she had in acquiring a residence was to be freed from her marital ties.

## BESIEGE REBELS IN STRONGHOLD,

Venezuelan Government froops Capture Strategic Position Opposite Ciudad Bolivar.

General Gomez Secures Safety of His Rear Guard by Defeating Forces Under General Antonio Paredes.

Soledad, Venezuela, Friday, July 10 .- Soledad, which is a strategic position opposite Ciudad, Belivar, on the Orinoco River, has

been taken by Government troops. The Associated Press correspondent, who came overland with the Government forces from Maturin, witnessed the shelling today of the strong trenches constructed along the river front before Ciudad Bolivar

by the revolutionists It is believed that the Government troops will make a landing on that side of the river upon the arrival of General Gomez, the Government Commander in Chief, who is expected Monday with a fleet which will co-operate in a general attack on It is learned through deserters the eral Gemez before entering the in the Orinoco defeated the revolution der General Antonio Paredes, who dered Puerto Cabello in 1859, and it sequently was captured by the

ear Irana near Irapa.

General Gomez thus secured the safety
of his rear guard.

Notwithstanding local public opinion to
the contrary, in Government circles, it is
not believed that General Rolando, who
holds Cindad Bolivar, will be able to resist
the Government's attack.

#### CAPITAL OF HAYTI IS IN STATE OF SIEGE.

President in Conflict With Chambers Over an Issue of Government Securities.

Port-au-Prince, Hayti, July 13.-The conflict between President Nord and the Cham-A state of slege has been proclaimed and

the National Guard has been summoned to The conflict between the Haytian President and the Chamber is apparently the outcome of the discovery some months ago of alleged

extensive frauds in the issue of Haytian Government securities. The amount involved is about \$2,000,000. and it was alleged that securities were fraudulently issued with the complicity of the national bank of Hayti. The President appointed a committee to probe the matter. and the Minister of Finance, who was op-posed to the investigation, resigned. A dis-

situation was disquieting. In an address to the soldiers of the guard. President Nord on that day vigorously denounced the attitude of the Chambers and the national bank as being hostile to the Government. The troops cheered the President, shouting "Down with the Chambers!"

patch from Port-au-Prince June 29 said the
